

Mid-America Science Museum's 4th Annual First Lego League Tournament

Embark on an exploration of the earth's climate in the Climate Connections Challenge! Discover the links between science, people, resources and communities. Unearth how we learn about

past climates and delve into questions surrounding our current and future climatic conditions. Join FIRST LEGO League teams in creating a global game plan as they make these Climate Connections!

Participating Teams

Grace Academy – Coach: Nelda Ward

Climate Crusaders

Stormy Fowler and Derek Mauldin

Gardner Magnet School – Coach: Lori Saracini

Robo Raptors

Marcus Hayes, Zachary Braxton, Will Carpenter

Robo-Rhinos
