## “That’s Science!”: Science Circus\*

### Kid’s Quest\*\* Party Reservation Form

*(Reservation must be received by March 2, 2009)*

Science Circus is a fast-paced, one-man show put on by Rhys Thomas that teaches Newtonian physics using a rare blend of science and circus arts. Combined with daredevil stunts and comedy, viewers have an opportunity to learn the physics of motions and balance in a unique setting.

**March 7, 2009 • 2:00 p.m. until 4:00 p.m.**

\* “That’s Science” is sponsored by Mid-America Science Museum in partnership with the Arkansas Discovery Network and funded by the [Donald W. Reynolds Foundation](#).

\*\* Kids’ Quest membership is free and open to all children ages 5 through 12. Interested in becoming a Kids’ Quest member? Visit the [Arkansas Discovery Network](#) today!

My child will attend this Kids’ Quest Party and understands that he/she will be expected to follow all workshop and Museum rules.

I will attend the party with my child.

I will not attend the party, but will pick my child up on time.

I understand that video production and/or photography may be conducted during our visit to the Mid-America Science Museum. Museum admission grants full consent to Mid-America Science Museum and those acting under its permission or upon its authority, the unqualified right and permission to reproduce, copyright, publish, or otherwise use our photographic likenesses. In order to revoke this permission it would be necessary for us to sign the “Refusal for Release” that will be provided upon request.
